

# HEALTH SCREENING GUIDE

We look forward to welcoming you to our medical centre.

This guide ensures that you are well prepared for your executive screening experience.

## TO BRING AND PREPARE:

01

### To bring:

- NRIC/FIN/Passport

02

### To prepare:

- Fast for at least 8 hrs - plain water is allowed.
- Diabetic patients can omit their medicine for the morning of the health screening unless advised not to skip by their regular doctor.
- You may consume all other chronic medication as required.
- Please postpone your appointment if you are unwell.

## TO BRING AND PREPARE:

03

### To prepare:

- Expectant mothers are advised to refrain from participating in the health screening.
- Please be in comfortable attire to facilitate clinical testing if applicable (blood test, ECG, scanning, treadmill). Further preparations may be required depending on the individual tests (please see next page).
- Changing rooms, disposable slippers and lockers and body wipes are available upon request, feel free to approach our service associates for assistance.

## ECG

- Please wear a 2-piece outfit as electrodes will be placed on your chest.
- Shave chest hair (if any)

## Tonometry

- Bring along your spectacles (if applicable)
- Remove contact lens 30mins before tonometry

## Spirometry

- If you are on inhalers, please call the medical centre one day prior to your appointment to check if any preparation is needed.
- Do not smoke 1hour before the test

## Treadmill

- Avoid caffeinated food and drinks on the day of your test.
- Bring along your sports attire and running shoes.
- You are encouraged to bring a spare set of clothes to change after the test, there are no shower facilities available on site but body wipes can be provided on request)
- If you have any known heart conditions or on any heart or blood pressure medications, please consult a physician before the test.
- Bring your latest medical records if available as you may need a medical review before being allowed to perform this test.

## TEST SPECIFIC PREPARATIONS:

### X-Ray

- If you are pregnant, please avoid this test.
- Please inform us if you had a chest x-ray in the preceding 6-months.
