HEALTH SCREENING PREPARATION

To bring

- NRIC/FIN/Passport

To prepare

- Fast for at least 8 hrs - plain water is allowed. Unless you opted for a non-fasting screening
- Omit your diabetic medication till after your appointment **unless advised not to skip by their regular doctor.**
- You may consume all other chronic medication as required.
- Please postpone your appointment if you are unwell.
- Expectant mothers are advised to refrain from participating in the health screening.
- Please be in comfortable attire to facilitate clinical testing if applicable (blood test, ECG, scanning, treadmill). Further preparations may be required depending on the individual tests (please see next page).
- Changing rooms, disposable slippers and lockers and body wipes are available upon request, feel free to approach our service associates for assistance.

GETTING READY FOR YOUR TESTS

Blood Test

- 8-hrs of fasting is required. Unless you opted for a non-fasting screening

Urine Test

- At least ½ of the bottle
- Take Mid-stream portion
- No fasting required
- No overnight urine

For Ladies

- Urine/Stool to be done at least 5 days after your menstruation

Stool Test

- No fasting required
- Overnight stool is acceptable
- Avoid contact with urine or water
- Using the stick provided, scoop a small amount of stool
- Avoid red meat and iron supplements 3 days before collecting the sample

Ultrasounds

- Abdominal / Hepatobiliary System Ultrasound
 - Fast for at least 8 hrs
 - Avoid smoking at least 2hrs before examination
- Prostate / Pelvis Ultrasound
 - Drink 5 to 6 glasses of water 1 hr before your scan
 - Avoid urination, full bladder is required
- Please bring your previous scan results from other healthcare institutions if available.

X-Ray

- If you are pregnant, please avoid this test
- Please inform us if you had a chest x-ray in the preceding 6-months.

Spirometry

- If you are on inhalers, please call the medical centre one day prior to your appointment to check if any preparation is needed.
- Avoid smoking 1-hr before test.

Treadmill ECG

- Avoid caffeinated food and drinks on the day of your test.
- Bring along your sports attire and running shoes.
- You are encouraged to bring a spare set of clothes to change after the test.
(There are no shower facilities available on site but body wipes can be provided on request)
- If you have any known heart conditions or on any heart or blood pressure medications, please consult a physician before the test.
- Bring your latest medical records if available as you may need a medical review before being allowed to perform this test.

Resting ECG

- Please wear a 2-piece outfit as electrodes will be placed on your chest.
- Shave chest hair (if any)

Pap Smear (Ladies)

- To be done at least 5 days after your menstruation
- Avoid sexual intercourse, use of creams, medication, spermicides or tampons 2 days prior to your appointment.
- If you are only comfortable with female staff performing your test please inform us before coming for your appointment.

Mammogram (Ladies)

- If you are pregnant, please avoid this test.
- Examination should be done at least 1 week after your menstruation.
- Avoid perfumes, powders, deodorants and creams at your chest or underarm areas.
- Wear a comfortable 2-piece outfit.
- Gowns available upon request.
- A mammogram is recommended for ladies 40yrs and above.

Tonometry

- Bring along your spectacles (if applicable)
- Remove contact lens 30mins before tonometry

POST SCREENING

- Your health screening report will be sent to you within 7 working days. (excluding weekends, PH and eve of PH).
- **Contact us for a post screening Tele-review**

THINGS TO TAKE NOTE

- Kindly arrive on time for your appointment. **Rescheduling** of appointments to be made at least 48 hours in advance us **via 6589 0009**
- Depending on your selected package, your screening may take **between 1 to 3 hrs.**
- A **time chit** can be provided for your screening appointment.
